

CSG Logistics Park – Milan Italy

22,000 m² – New lease to BSL

March 4 2009 – Vailog signed a new lease in CSG Logistics Park with BSL S.p.A., a major Italian logistics company, for a total area of approx. 22,000 m². The warehouse is entirely dedicated to the logistics of Italian textile luxury brands.

CSG Logistics Park is 100% leased and now reaches over 300,000 m² of distribution space. Its customers, include companies such as Giochi Preziosi, Bosch, Norbert Dentressangle, Yamaha, BSL, DSV, Metro, Coin, Bertola CD, Rajapack,...

CSG Logistics Park benefits from the highest standards for modern distribution: only 45 km from Milan, it has direct motorway access, rail connection, 24/7 security, common area services and management.

The new warehouse will be equipped with a 1 MW state-of-the-art solar energy production facility. Thus, the warehouse's energy balance will be positive : in addition to the customer's own needs, the facility will supply the equivalent of over 700 households.

Vailog is a real estate development and investment company specialized in logistics real estate.

Vailog has offices in Milan and Shanghai and operates in Italy, the Netherlands, Romania and China.
