

## Vailog Pre-leases 100,000 m<sup>2</sup> to China Aviation Supplies in Kunshan DC - China

**S**hanghai, January 4, 2011 — Vailog announces that it has pre-leased 100,000 m<sup>2</sup> in Vailog Kunshan Logistics Park Phase 2 to **China Aviation Supplies Holding Company** (hereinafter referred as “CAS”), a Chinese state-owned company specialized in aircraft procurement and support services.

Located in Kunshan Aviation Industrial Park in Dianshan Lake Town, Vailog Kunshan Logistics Park is only 1 km from Shanghai and is regarded as one of the largest of logistics park in West Shanghai. It has a total land area of approx. 21 hectare and comprises six high standard warehouses of approx. 125,000 m<sup>2</sup>. The first phase of 25,000 m<sup>2</sup> is now under construction and the second phase of 100,000 m<sup>2</sup> for CAS is going to start construction in Q2 2011 and will be developed into 3 phases.

Kunshan Phase 2 is dedicated to CAS for its regional aviation supplies distribution. The park will be delivered to CAS in phases and will be fully operational by the end of 2012.

China Aviation Supplies Holding Company is a state-owned company specialized in aircraft procurement and support services. Over the last 30 years, the company has purchased and leased more than 1,400 aircrafts for domestic airlines and imported numerous airport supporting facilities, special vehicles, large-scale air traffic control systems and etc. The yearly total import and export volume reached more than 2 Billion USD and its assets has exceeded RMB 6 Billion in 2009.
